

# Radiant Technologies Appoints Terry Booth to Board of Directors

**November 30, 2017**

EDMONTON, ALBERTA November 30, 2017 - **Radiant Technologies Inc.** ("Radiant" or the "Corporation") (**TSX Venture: RTI**) is pleased to announce the appointment of Mr. Terry Booth to its Board of Directors as a non-independent, non-executive director.

Terry Booth is the visionary Founder and CEO of Aurora Cannabis Inc. ("Aurora") (TSX: ACB) (OTCQX: ACBFF) (Frankfurt: 21P; WKN: A1C4WM)), a global leader in the cannabis sector. Terry has assembled a diverse and highly skilled team of experts from a broad range of disciplines to execute on the company's well-differentiated business strategy and vision to build the world's foremost cannabis company. His strong leadership and focus on execution have resulted in Aurora now being one of the best recognized names in the cannabis industry, with a market capitalization in excess of \$3.0 billion.

An entrepreneur and Alberta business leader, Terry, who at 22 was Alberta's youngest ever master electrician, has served as President/CEO of six other highly successful businesses, one of which, Superior Safety Codes Inc, has received an award as one of Canada's top 50 fastest-growing companies. Terry is a strong supporter of many charitable organizations dedicated to ending family violence and violence against women, including the "Walk a Mile in Her Shoes" campaign. Terry has four children and two grandchildren, and lives in Edmonton with his wife and youngest son.

"On behalf of the Board of Directors and management, I would like to welcome Terry to the Radiant Board," said Denis Taschuk, President and CEO of Radiant. "Terry's leadership and experience, along with a very successful track record as CEO of Aurora, makes him an ideal candidate for our Board. The addition of Terry will significantly enhance the Company's knowledge and access into the Canadian and International cannabis markets and will also further strengthen and broaden Radiant's leadership team."

Terry Booth, added, "I am very pleased to be joining Radiant's Board to further strengthen the ties between our two companies. I have been very impressed with Radiant's technology and management team from the time we started speaking, and I look forward to working even more closely with Denis and the team to help Radiant achieve its potential both within the cannabis industry and beyond."

## **About Radient**

Radient extracts natural compounds from a range of biological materials using microwave assisted processing ("MAP™"), a patented technology platform which provides superior customer outcomes in terms of ingredient purity, yield, and cost. From its 20,000 square foot manufacturing plant in Edmonton, Alberta, Radient serves market leaders in industries that include cannabis, pharmaceutical, food, beverage, natural health, personal care and biofuel markets.
