

Radiant Technologies Inc. Named to the 2018 TSX Venture 50 List of Companies

February 22, 2018

EDMONTON, ALBERTA, February 22, 2018 - **Radiant Technologies Inc.** ("Radiant" or the "Company") (**TSX Venture: RTI**), a world leader in industrial-scale natural ingredient extraction, purification and formulation using its patented MAP™ technology, today announced it has been named to the 2018 TSX Venture 50.

The Venture 50 are the top ten companies listed on the TSX Venture Exchange in each of five major industry sectors - mining, energy & energy services, clean technology & life sciences, diversified industries and technology - based on a ranking formula with equal weighting given to return on investment, market cap growth, trading volume and analyst coverage. All data was as of December 31, 2017. Radiant was ranked #1 of the 10 companies to have qualified within the diversified industries sector.

Denis Taschuk, CEO of Radiant commented: "We are thrilled and honoured to have been recognized and named to the TSX Venture 50. I would like to thank the entire team at Radiant for their dedication and commitment as we evolve and expand our business operations on a global scale. I look forward to building on our recent successes and to adding shareholder value as the Company continues to grow."

About Radiant

Radiant extracts natural compounds from a range of biological materials using microwave assisted processing ("MAP™"), a patented technology platform which provides superior customer outcomes in terms of ingredient purity, yield, and cost. From its 20,000 square foot manufacturing plant in Edmonton, Alberta, Radiant serves market leaders in industries that include pharmaceutical, food, beverage, natural health and personal care markets. Since 2016, Radiant has expanded its offerings to enter the cannabinoids market utilizing its MAP™ platform to process and extract cannabinoids including cannabidiol ("CBD") and tetrahydrocannabidiol ("THC") from cannabis biomass. Forward Looking Information:

This press release contains “forward-looking information” within the meaning of applicable Canadian securities legislation. Forward-looking information includes, without limitation, statements regarding the growth of the Company's business operations; the Company's ability to grow its business in the cannabis sector and the Company's future plans. Generally, forward-looking information can be identified by the use of forward-looking terminology such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might” or “will be taken”, “occur” or “be achieved”. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Radient, as the case may be, to be materially different from those expressed or implied by such forward-looking information. Although Radient has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Radient does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
